

International Musical Sensation Estas Tonne brings his first-ever U.S. tour to Pikes Peak Center Wednesday, December 5

Tickets go on sale Friday, June 8 at 10 a.m.

Considered a modern-day troubadour, international musical sensation Estas Tonne travels to countless places around the world and finds in himself several cultural references, but he does not identify with a single nation or country. Instead, Tonne considers himself a product of the cultural richness of the world. His music is a reflection of many approaches – a fusion of classical structure, technique of Flamenco, roots of Gypsy, and characteristics of Latin and Electronic Soundscapes.

Witness Tonne's spiritual sounds and emotional expression when his first United States tour, **The Breath of Sound** stops at Pikes Peak Center for the Performing Arts on Wednesday, December 5. Tickets, starting at \$35, plus applicable fees, will go on sale Friday, June 8 at 10 a.m. and can be purchased at the Pikes Peak Center Box Office, online at PikesPeakCenter.com and AXS.com, or via phone at 719-520-SHOW. Tickets can also be purchased at The Broadmoor World Arena box office or at BroadmoorWorldArena.com.

The Breath of Sound tour speaks to the followers of bold guitar music and unique art & culture, as well as spiritual well-being. Through his music, Tonne invites people to close their eyes, open their hearts and dive into a sacred space where one can experience music in the purest form.
