Few actors have reached Allen's level of success in film and television. Best known for his iconic roles in: *Toy Story*, *The Santa Clause*, *Wild Hogs*, *Galaxy Quest* and many more; Allen has reached an international level of superstardom. Most recently, he starred in and executive-produced the ABC hit "Last Man Standing" which ran for more than 100 episodes before ending in 2017.

Allen honed his talents as a stand-up comic throughout the 80's, providing the perfect lead-in to his highly successful ABC television series "Home Improvement," where he garnered a Golden Globe Award, an Emmy nomination, and was honored with the People's Choice Award for "Favorite Male Performer in a Television Series" for an unprecedented eight consecutive years.

While passionately ensconced in a hit sitcom, Allen still found time to expand his talents. He enjoyed his feature film directorial debut, producing the independent comedy *Crazy on the Outside*, in which he also starred opposite Ray Liotta, Sigourney Weaver, Julie Bowen, Jeanne Tripplehorn, J.K. Simmons and Kelsey Grammer.

Allen also reprised the voice of Buzz Lightyear in *Toy Story 3*. Beyond acting, he is a best-selling author, successful producer, writer and director.
