COLORADO SPRINGS (August 21, 2018) -- With a tour that has been playing to more than 50,000 fans a year since 2011 and features annual sold out performances at Carnegie Hall, as well as performances in many of the top venues in the country, Keith and Kristyn Getty will bring their **Sing! An Irish Christmas** show to Pikes Peak Center for the Performing Arts on Monday, December 10 at 7:30 p.m.

Hailing from Ireland, the Gettys are considered global ambassadors for modern hymns in the United States and around the world. They are returning in 2018 to celebrate Christmas with their seventh annual tour of Sing! An Irish Christmas, which is built around their Christmas church music catalog and their love for historic carols and congregational singing. Joining them will be their band of instrumentalists, fusing Celtic, bluegrass, Americana, and classical music, as well as cultural dance and the choral sounds of the holiday. With their special guest friends, the Gettys will perform a program that unites tradition and innovation in celebration of the season.
