"The Experience" brings Caputo face-to-face with her fans, as she lets spirit guide her through the audience. A video display ensures everyone in the venue has an up-close-hands-on experience regardless of seat location. "The experience isn't about believing in mediums. It's about witnessing something life-changing," said Caputo. "It's like Long Island Medium live, witnessing first-hand spirit communication."

The highly-rated show ***Long Island Medium*** follows Caputo's life as a typical Long Island mom with one very big difference...she can communicate with the dead. Since she cannot "turn off" this gift, messages from departed loved ones can come through at any time, which lead to spontaneous readings with those she encounters. In addition to her television show, Caputo has appeared on such programs as "The Tonight Show with Jay Leno," "The Tonight Show with Jimmy Fallon," the "Steve" [Harvey] talk show, "Live with Kelly and Michael," "The Dr. Oz Show," and the "Today" show.

Caputo's latest book, "Good Grief: Heal Your Soul, Honor Your Loved Ones, and Learn to Live Again", was released in 2017 and debuted on the *New York Times* Best-Seller List at No. 3. With her energetic, positive, and encouraging tone, Caputo uses the lessons from spirit to guide the reader through grief toward a place of solace and healing. Caputo's second book titled "You Can't Make This Stuff Up" was released in September 2014 and debuted at No. 9 on the *New York Times* Best Seller List. Her first book titled "There's More to Life Than This" was released in the fall of 2013.

Caputo has been a practicing medium for more than 20 years. She helps individuals find closure by delivering healing messages. For Caputo, this is not just her job... this is her life. Learn more about Theresa Caputo at TheresaCaputo.com.
